

## ***Corporate Social Responsibility***

Corporate Social Responsibility (CSR), often referred to as 'Corporate Conscience' is a commitment made by a business to operate in a socially responsible and ethical manner. The extent of commitment and the impact of the CSR efforts vary widely from business to business.

Aisling Consultancy's *CSR Framework* considers three key areas:

**Take pride in being Socially Responsible!**

Aisling Consultancy can provide a range of CSR services, these include the following:

- A full analysis of your current CSR activity
- Support around one or all three areas within the CSR Framework
- Exploration of options including signposting and connecting where relevant
- CSR Coaching
- CSR 'Get on Board' Workshops
